

LPG, propane and butane

Distributors	Dispensers, bobtail trucks, bulk storage, handling, distribution outlets and transfer in hazardous locations
---------------------	--

1/4"
3 way
internal
valve

Water

Aviation	Drinking water and potable water filtration
Marine	Fresh water purifiers and reverse osmosis
Commercial	Reverse Osmosis and cooling tower water control
Dosing pumps	Wastewater treatment and oil/water separation
Municipal water treatment	Chlorine scrubbers, residential water treatment, disinfection, O ₃ and O ₂ infusion
Building systems	Fire suppression
Agriculture	Irrigation control

1/4"
needle
valve

Pharmaceutical

Laboratory	Dispensing and manufacturing
Chemical testing and development	Metering control and pressure control
University research	Metering control, pressure control and temperature control

1/2"
pressure
regulator

Oil and gas

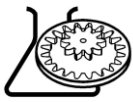

Drilling	Oil shale reclamation
Petroleum	Gasoline, oil transfer and storage
Testing	Sample collection of oil and gas for analysis

1"
plug
valve

Metals

Metallic bonding	Cold spray and supersonic particle deposition using high pressure fluids
-------------------------	--

1 1/2"
sanitary
ball valve

1/4"
metering
valve

1/4"
metering
valve

1/4"
bellows
valve

Food

Sanitary
processing

Mixing and disinfection

Membrane filtration

Commercial
manufacturer and
supplier

Caustic liquid and chemical separation

Cryogenics

Manufacturer

Ultra-low temperature chemical control

Power plant

Electrical power
generation

Turbine cooling air control, anhydrous
ammonia containment and control

HVAC

Commercial
manufacturer

Refrigerant control and test stand media
regulation

Botanical and medical extraction

CO₂ extraction

Product transfer and flow control

Hydrocarbon
extraction

Temperature, and pressure control of
butane and alcohol, etc.

Automotive

Test stand

Automotive lubricants, exhaust and fuel
injection

Semiconductor

Manufacturing

Photolithographic, chemical processing for
wafer production and wafer chuck process
cooling

Automate Anything

Compact electric valve actuators built for
any valve, industry and application.
